

# DISPLAY FLAG CARE GUIDE

PROLONG THE  
LIFE OF YOUR  
INVESTMENT

## Using and Caring for your Flag

- A flag usually lasts for 4 to 6 months, however this can be prolonged if the below is followed.
- In extreme weather please take down your flags and store safely indoors.
- Ensure there is enough space for your flag to rotate freely.
- If using your flag for the first time in wet conditions on a rare occasion the colour may run - this can be rectified by washing after use.
- Flags can be hand or machine washed at 30° with regular household detergents.
- Flat dry and avoid ironing.
